Dated this the 20th day of September, 2007

Order

Koshy,J.

The only point contested in the appeal is regarding the limitation of liability of insurance company to Rs.10,000/- for loading and unloading workers. That was decided against the appellant. In the review petition, the very same question is again raised for re-adjudication. A review petition cannot be equated as an appeal proceedings or a revisional proceedings or a petition for re-hearing of the matter. There is no merit in the review petition. Review petition is dismissed.
